

IOTA Travel Expense Report
for the Year

I hereby declare that the travel and related IOTA related expenses described below were performed by me to collect scientific data for the International Occultation Timing Association (IOTA). I understand that the expenses itemized below were incurred in this endeavor and may be deducted from income reported on my federal income tax form, in accordance with #8626 of Standard Federal Tax Report Bulletin of February 9, 1983 (see Occultation Newsletter Vol. 3, #5, p. 98), and any subsequent guidelines issued by the U.S. Internal Revenue Service. IOTA's Tax Identification Number is 36-3254326.

You can list in your itemized deductions only the amount of your valid expenses minus the value of goods or services received from IOTA for your expenditures.
